Like most new business owners I faced teething problems. I worried about situations I thought were unique to me, I spent long hours looking for answers to problems I thought would jeopardise my business then and in future. It happens to everyone and not long afterwards we all look back on those days and wonder why we worried so much, why we wasted time looking for answers to problems that really weren't that important –then! Worry wastes time, it causes stress; that's worry and stress you need not suffer based on tips I'll provide for you now.

[Quick and Easy Ways to Turn FREE Classified Ads into Fast Cash Sums](#)    Feb 27, 2009

Of many subjects in *eBay Confidential* recently, it's eBay Classified Ads that have generated most interest, not least of all because in the UK currently thousands of people are growing their income faster than ever using FREE eBay Classified Ads. It's all down to a few sneaky but usually eBay acceptable methods countless traders are using to sell hundreds of products each month without paying a penny in eBay fees.

[How to Flip Around Pound Shop Bargains on eBay for 200%... 300% and Even 1,000% Returns!](#)    Feb 27, 2009

I'm guessing you've probably never given your local pound shops a second thought as a source of supply for eBay? Maybe you even look down your nose at them as you walk on past? But you really should give them a try, as they can be a great source of cut price goods offering excellent profit margins... usually of several hundred per cent at least.

Add this to the fact that everybody is looking for a bargain and to save money right now, while luxury products are down-and-out. The sort of value-packed products that pound shops sell are going to be a growth area this year. (The biggest pound shop chain, Poundland, has 2 million customers every week and made £8 million profit last year!) In this article, I'll show you how to buy from pound shops and sell for two, three or even 10 times the price you paid!
